AT&T offers our members, who are enrolled in the CarePlus benefit program, access to Cleveland Clinic's MyConsult Online Medical Second opinion program. Cleveland Clinic's MyConsult Online Medical Second Opinion program gives our CarePlus participants secure, online access to Cleveland Clinic's physician specialists for over 1,000 life-changing or life-altering diagnoses all by the click of your mouse. Getting a second opinion from Cleveland Clinic enables you to make the most informed decision about your healthcare or that of a loved one.

If you are enrolled in CarePlus, you and your covered family members can request an online medical second opinion - at no charge – and reach some of the country's leading medical experts. To learn more or to begin the registration process, please log on to <http://www.eclevelandclinic.org/att>.
